March 4, 2008

Dear Superintendents and Principals,

As you have read in the newspapers in our region, teen driving deaths and injuries have impacted our communities at an alarming rate over the past few months. The youth in Camp Fire USA Teens in Action are very concerned about this. On April 26, 2008, the teens in partnership with the National Youth Leadership Council, the Chesapeake Safety Council, State Farm Insurance, Bishop McNamara High School, National Organization for Youth Safety, and other community, government, businesses and non profit groups, will be hosting a **Road Skill/Roads Kill Teen Driving Safety Summit**. The students in this program have been nationally recognized for their work in the area of Teen Driving Safety and are now taking the challenge of spreading the word seriously. We would like to invite students from your school to participate in our event. The summit will be held at Bishop McNamara High School in Forestville, MD. Youth from across the area along with their adult mentors and advisors are being invited to explore ways that they can implement a Teen Driving Safety program in their school or community organization.

The event is purposefully being held on **Global Youth Service Day** and will follow a Service Learning Format. Youth will be engaged in discussions of Teen Driving Safety issues, provided resources for addressing issues in their local schools or communities, and will in the course of the day create a service-learning project that they can launch during the Month of May 2008 and in the beginning of the 2008-9 School year. Student and expert speakers will demonstrate methods that they have used to increase awareness the need for this issue to be addressed in our community. Some events that are planned for the day include—a 3-hour workshop that pilots the new **Alive at 25** Teen Driving Education Program sponsored by the National Safety Council. A representative of each school attending will be enrolled in this course and will be able to bring the information from the course back to their school and work at having the program offered in their school community.

The Day will begin at 8:30 A.M and end at 8:00 PM. It will be held at Bishop McNamara High School 6800 Marlboro Pike, Forestville MD 20747. The cost of the day for each participant will be \$20.00, which includes the cost of lunch, Dinner, Snacks, and materials for each participant. A tentative Schedule is attached so that you may have some idea of the activities planned for the day.

If you have questions, you can contact Mrs. Rosemary Pezzuto, Executive Director, Camp Fire USA, and Patuxent Area Council at 301-346-7860 or via email at CampFirePatuxent@aol.com .

Sincerely,

Anastasia Wroblewski and
Travis Barrett, Youth Board Members

Rosemary Pezzuto, Executive Director
